5. Updates

- a. Save Lucklawhill – had a successful stall at the Scouts Coffee Morning, making several useful contacts within the community. They plan to distribute leaflets across the village explaining the objection process as soon as the planning application is submitted. The next group meeting is scheduled for Wednesday 18th December. They will be requesting that Fife Council officially measure the blast vibrations and will investigate if this falls within their existing responsibilities and are encouraging all residents to report any significant vibrations or property damage caused by the blasting to build a strong record of evidence.
- b. Planters – all tubs are planted

6. AOB

- a. With the new development at Balmullo Farm and the resulting relocation of the speed sign, we should proactively request a flashing speed sign in its place [**ACTION**].
- b. New bus shelters installed at outside Pitcairn Practice where other stops have been overlooked, even following years of requesting.
- c. Moffat and Williamson are being investigated by Fife Council following numerous speeding complaints.

7. Date of next meeting – Monday 13th January
